

In the Abstract

Please replace the paragraph beginning on page 26, line 1, with the following rewritten paragraph:

Information processing apparatus, particularly a plane display unit used both for a display and an inputting device is required to be small-sized when it is attached to a housing. For this purpose, a flat rectangular plane display ~~unit (5)~~ unit is attached to the ~~housing (4)~~ housing by means of fixing ~~members (12, 13)~~ members at three positions; left and right sides and an upper central position. The left and right sides of the plane display ~~unit (5)~~ unit are fixed to a back ~~cover (4)~~ cover with screws using the fixing ~~members (12)~~ members and the upper central position of the plane display ~~unit (5)~~ unit is clamped by the fixing ~~member (13)~~ member to be fixed to the housing.
